Dear Community Leader,

Sarasota Medical Alliance Foundation is putting the fun into fundraising with our largest annual event, Casino Royale 2019. Show your support for the physicians who serve Sarasota County while raising money for healthcare-related causes in the local area. Visit <http://donate-smaf.org/> to learn about our projects.

This year, your donation will support very worthy health projects that positively impact the health of our community now and for many years to come, including:

Mental Health: With the help of talented local filmmaker, Brad Bryan, we created a video series on the topic of anxiety and depression at our new website BeWellSarasota.org. Its purpose is to offer direction to those in need, help raise awareness and decrease the social stigma associated with mental health issues.

Prescription Drug and Substance Abuse Awareness: We are working with Drug-Free Sarasota on the Physician Advocate Award program, an education and advocacy project designed to prevent addiction through awareness. Our award-winning program supports physicians who, utilizing their office and staff, inform patients of the dangers of opiate addiction, abuse and misuse and safe disposal. Visit PhysicianAdvocateAward.org to learn more.

Drug-Free Youth: We provide funding for a youth-oriented program for substance abuse prevention, Drug-Free Youth (D-Fy), a county-wide program from North Port to Sarasota. See Dfyinitiative.org for more details.

Promoting Medical Careers: We provide several scholarships to high school students and funding for teachers to encourage medical careers.

Please see our website for more details on our projects and impact: donate-smaf.org.

To support our fundraising event, please complete the Sponsor Form and provide your check made payable to SCMSAF or request an invoice.

With your generosity, we can look forward to improving community health for the people of Sarasota County!

Sincerely,

Tatyana Stewart, Adeline Henriquez and Kim Chomiak
